What I'm looking for is a marketing plan that shows all of the amenities in the neighborhood surrounding the lease property such as Banks, Restaurants etc....Like the retail map on the attached marketing brochure.

Andy can take photos of anything else you want, but I'm not sure what you mean. Can you provide him with some direction of any other photos you want taken? He has his good camera with him today.

Just send him over an I'll have my Chief Engineer – Ron Erwin assist with roof top access

On another note would you have an aerial photo of the amenities around our building

Bob,

Thank you again for the wonderful holiday lunch! I was also glad that I got a chance to meet your wife.

So it appears that the rain is gone and the wind will be pushing the clouds away throughout the day. I'm hoping that we can get up on the roof in the next few hours. (not now, I still want the wind to blow away some more clouds) Can you please let me know what time frame (ex. between 1-3pm) Andy can come over and take some photos? We will be checking the clouds hourly.

Thank you very much.

Best regards,
